## Somerville Arts Council... what else do we do?

- We run several different Grant Programs, including the LCC grant program (Deadline: Oct. 16, 2023) and a BIPOC grant program
- We run the Mystic Mural Project, an environmental art program where teens create a mural of the Mystic River, located on Mystic Ave.
- Through the Inside-Out Gallery, we exhibit local artists in the CVS window in Davis Square.
- Arts Union: Since 2006, we've run a cultural programming and placemaking art initiative in Union Square.
- We run Nibble, which is a culinary program that spurs multicultural exchange via cooking classes, a restaurant at Bow Market, and a series of entrepreneurship workshops for members of our city's immigrant communities. Also, find Nibble biweekly at the Union Square Farmers Markets!
- We run countless other Festivals; upcoming events include: YartSale (8/12), SomerStreets: Strike Up (9/17), Ignite Festival (9/30) SomerStreets: Monster Mash (10/22)
- Spearhead arts space work, go here: [somervilleartscouncil.org/artspace/updates](http://somervilleartscouncil.org/artspace/updates)

- 5 Day Street (Knucklebones)
- 6 Elm Street Stage
- 7 Kenny Park (Modular on the Spot)

## Additional Activities & Features

### Nibble Island

#### Traffic Island

It's a Nibble takeover at ArtBeat! Our Nibble staff and chefs will be at the center of the festival on the main Traffic Island... or should we say Nibble Island! In addition to food—Nagomi Bento, Dos Manos Kitchen, and Taquisimo Taco—there will be an interactive Nibble activity table where you can test your olfactory prowess by sniffing spices!

Nagomi Bento, one of our current residents chefs will turning up the grill for dishes such as okonomiyaki, a savory pancake stuffed with cabbage! Dos Manos Kitchen and Taquisimo Birria Tacos, two past Nibble Kitchen residential chefs will be returning to serve up iconic eats such as cheesy and crispy beef Birria Tacos and unique seasonally topped pupusas.

While ArtBeat attendees fill their stomachs, they can also stop by our Nibble Information Table where they can compete in our “Nose Olympics”. Attendees can test out their noses with unique spices from an array of Union Square’s International Markets and get a chance to win tickets to our Nibble Cooking Classes!

### Knucklebones

#### Day Street

Entertaining the younger set for years, Knucklebones has been a staple at the ArtBeat festival. By using play as a catalyst, they have the pulse on FUN, encouraging all ages to enhance their lives...for the love of play!

### Modular on the Spot

#### Kenny Park

*Modular on the Spot* is a free and inclusive outdoor concert series created to offer a platform for local modular synthesists to share their compositions and improvisations with the public. The series was started in Los Angeles a decade ago and has since seen chapters sprout up in cities from Boston to Tokyo.

Plus! Shop local along Elm and Holland streets, featuring over 75 crafters, community organizations, and an array of food vendors
